Residual Sugar:	22.5
Peak Fermentation Temperature:	16°C
Fermentation Vessels:	100% Stainless steel tanks
Alcohol:	10%
Total Bottles Produced:	7020

Tasting Note

“Freshly squeezed lime juice, lemongrass, hints of chalk and jasmine flower on the nose awaken the palate to zesty lemon, lime and spicy white pepper with a wonderful energy that sings of limestone soils. An elegant Riesling that is beautifully balanced with bright citrus, a stony freshness and salinity that gives the wine great length. Finely detailed and lower in alcohol, this wine is delicious on its own but will also pair wonderfully with pulled pork, fresh fish, seafood, summer salads and light-medium spiced Indian or a cuisine. Remarkably drinkable at release, this fresh and fragrant wine will continue to develop and delight for 10+ years.”
