**WARRANTY:**

The following DITTRICH DESIGN GmbH products are covered by this warranty for a period of one year (2 years EU ) from the date of purchase by the original end user customer: ALLDOCK.

DITTRICH DESIGN warrants to the original end user customer that the ALLDOCK is free from defects in material and workmanship. Subject to the conditions and limitations set forth below, DITTRICH DESIGN will, at its option, either repair or replace any part of the ALLDOCK which proves defective by reason of improper workmanship or materials. Repaired parts or replacement products will be provided by DITTRICH DESIGN on an exchange basis, and will be either new or recertified. All recertified products are tested to ensure that they are functionally equivalent to new products. If DITTRICH DESIGN is unable to repair or replace the product, it will refund or credit the lesser of either the current value of the product at the time the warranty claim is made or the purchase price.

This limited warranty does not cover any damage to the product resulting from improper installation, accident, abuse, misuse, natural disaster, insufficient or excessive electrical supply, abnormal mechanical or environmental conditions, or any unauthorized disassembly, repair or modification. This limited warranty shall not apply if: (i) the product was not used in accordance with any accompanying instructions, or (ii) the product was not used for its intended purpose.

This limited warranty also does not apply to any product on which the original identification information has been altered, obliterated or removed, that has not been handled or packaged correctly, that has been sold as second-hand or that has been resold contrary to U.S. and other applicable export regulations.

In the event a product has been discontinued, DITTRICH DESIGN, at its sole discretion, shall either repair the product, offer to replace it with a comparable product or provide a refund at the lesser of the purchase price or the product's current value. Repaired or replacement products will continue to be covered by this limited warranty for the remainder of the original warranty term or ninety (90) days, whichever is the longer.

This limited warranty applies only to the original end user customer for the term of the product warranty described herein. This limited warranty is non-transferable. This warranty does not cover shipping, removal, installation or any other related costs. The end user must pay any shipping charges when returning a product under warranty. Follow the instructions on alldock.com to submit a claim under this warranty.
