

Players Pickleball

ROGUE² & ROGUE²E

- USAPA Approved
- Made in the USA
- 7.8oz (±0.2oz)
- 4¹/₈" Grip Circumference
- 5" Grip Length
- 16³/₈" x 7¹/₂" (Rogue2),
17" x 7" (Rogue2E)
- Gel-Core Silicone-Infused Hybrid Core with Fiberglass Skin
- Vibration Damping Carbon Fiber Throat Reinforcement

The Rogue2 is the evolution of the first-ever vibration-damping pickleball paddle. The internal shock absorbing gel infusions transform the paddle's performance:

- Measurably Larger Sweet Spot
- Vibration Reduction
- Improved Stability on Off-center Hits
- Better Control of Incoming Smashes
- Softer Ball Impact Sound

With features not found in any other paddle on the market, the Rogue2 is the new favorite of seasoned pros and beginners alike. Available only from Players Pickleball.

SECOND-GENERATION
GEL-CORE
SILICONE-INFUSED HYBRID CORE

- Vibration Damping Carbon Fiber Throat
- Fiberglass Skin
- Polypropylene Honeycomb Core
- Elastomeric Gel Damper Rod (1 of 2)

Players Pickleball was founded in Bellingham, Washington, just a short drive from the birthplace of the sport. We develop high-performance pickleball paddles through a rigorous R&D program that combines a scientific approach with subjective feedback from players to create some of the best paddles money can buy. All of our paddles are made in the USA and are USAPA-approved.
