|-----------------------|-----------------------------------|
| ▪ Part#               | CT-11C                            |
| ▪ Input:              | Type A (NEMA 1-15), B (NEMA 5-15) |
| ▪ Output:             | Type N (NBR14136)                 |
| ▪ Max Amp Rating:     | Up to 10A                         |
| ▪ Max Voltage Rating: | Up to 250V                        |
| ▪ UPC:                | 853826007070                      |

### Connectivity

|                       |      |
|-----------------------|------|
| ▪ Total # of Inputs:  | 2    |
| ▪ # of Input Sockets: | 2    |
| ▪ # of USB:           | None |
| ▪ Grounded:           | Yes  |

### Dimensions

|           |                     |
|-----------|---------------------|
| ▪ Size:   | 1.63 x 1.60 x 2.55" |
| ▪ Weight: | 1.27 oz             |

### Packaging

|                             |                            |
|-----------------------------|----------------------------|
| ▪ Package Quantity:         | 3 Adapters                 |
| ▪ Master Carton Quantity:   | 100 Packages, 300 Adapters |
| ▪ Master Carton Dimensions: | 20.25 x 14.25 x 10"        |
| ▪ Master Carton Weight:     | 28.69 lbs.                 |

**Note:** This adapter doesn't convert voltage. It's compatible for use with dual voltage or worldwide voltage devices with input voltage range from 100-240V. If your device doesn't support the destination country's voltage then you may need to use it with an appropriate size voltage converter. Cell phone chargers such as iPad, iPhone, laptop chargers are dual voltage and are compatible with this adapter.
