YOU WERE MADE FOR SOMETHING EXTRAORDINARY

LIFE BEAUTIFULLY MADE

A collection of days seeking His will and honoring Him
with our faith through action.

DEAR FRIEND You were woven together by a Father who loves you more than you can comprehend for a purpose far greater than you can imagine. I believe God has a very specific plan for you and He gave you passions and talents that are clues to everything He designed you to be. I also believe there is something stirring inside you and you want direction. Pray for God to reveal His purpose for you and be open to receive it.

You will begin to notice themes that reoccur over and over . . . in church, in Scripture, through friends and music—you won't be able to deny it! Your next move may be very clear, or you may have work to do behind the scenes. Stay encouraged, joyful in hope, and faithful in prayer.

If God has called you, He will equip you.

You are meant for something extraordinary! As you fill up the pages of your Intentional Planner, I pray you'll awaken every morning with His Spirit in your heart — eager to pursue more and more of Him and His calling.

“

I don't really know how to explain this but I received my planner Wednesday and started using it and just really stepped up my prayer life. I was organized and intentional and could feel God so near. Today at our Sunday morning service a gentleman that has been on my prayer list since Oct but I really had not got serious with the prayer request until this week got saved today. Today is his day of salvation. Thank you for your thoughtful design and I somehow feel like someone prayed over my planner before it got mailed to me. God is so good.

Intentional Planner

Every section of the Intentional Planner is designed to guide you through discovering where God is calling you, and then it holds you accountable through your actions. Each daily spread has areas to journal, pray, and celebrate, along with inspirational Scriptures to aid in guidance, reflection, praise and service. From there, you are challenged to focus on three intentions, where you believe God is calling you for the day.

Together, the components of the Intentional Planner combine to create a unique record of one's journey with God and how His Word has guided not only a single day but also a life beautifully made.

HOW TO USE THIS PLANNER

SET YOUR MONTHLY INTENTIONS

YOUR DAY

The focus of this planner is to keep God's Word in front of you as you dream and plan your days. Intentional planning begins with seeking His will and building a schedule that allows space to respond to where He is calling you. Honor yourself with exercise and good-for-your-soul nourishment. Finally, celebrate all that is good and entrust the rest to Him.

Put your faith into action by scheduling time to achieve the action steps of your intentions and time for your heart. If you do nothing else today, do these things. This is where God is calling you and your obedient action will propel you forward towards your purpose —a life beautifully made.

♥ INTENTIONS AND TODAY'S TASKS

This is where you put your FAITH into ACTION! Name the first person on your heart who may need your time, a phone call, or your forgiveness. Think of a way you can show that person love today.

List your top action items from your monthly intentions and make them happen!

JOURNAL

Whether you meditate on a single verse, daily devotion, or on an in-depth bible study, this is a place for you to take notes and jot down any thoughts that come to you while studying God's Word.

PRAY

Pray BOLDLY to our Lord! Ask Him specifically to reveal His purpose for you, to open your heart, and to guide your steps today. Be still and listen, pay attention to what and whom comes to mind.

CELEBRATE

This is a place for you to thank God for answered prayers and the blessings in your life. Make a habit to think about things you are grateful for each and every day.

NOTES

Use this space as you wish: sermon notes, meal prep, health and fitness goals, or anything you may need to keep track of during the week.
