PLEASE NOTE: Availability is a guideline, as fruit ripens at different rates each year depending on the weather. If the variety requested is not available, the appropriate substitute will be sent at our discretion. **DISCLAIMER:** All products will be dispatched from Jackson Orchards in the best of condition. Couriers will deliver the product to the provided address non-signature. If the recipient has changed address, Jackson Orchards cannot accept responsibility for the failed delivery. Any claims against couriers must be made within seven days. Our main dispatch days are Monday, Tuesday & Wednesday to ensure quality. Our fruit is sent via standard OVERNIGHT courier NZ wide. Rural Delivery / Non-Urban deliveries can take 2-3 days and are at the customers own risk since fruit is perishable. For prompt service in rural areas, we highly recommend delivery to your local business hub or a courier agent in your urban township. Please note rural charges are an additional \$5.00 per box to any rural address.
