This multipurpose towel is super absorbent and folds up small to easily pack for travel or an activity. The silver ion antimicrobial treatment helps prevent odors and keeps the towel fresh longer.

- A large, compactable towel that absorbs five times its weight in water
- Features a snap loop for easy drying and sewn grommets for use as a sunshade/tarp
- Ideal for use as a blanket, fitness and travel towel
- Mesh pouch has a zippered pocket to hold towel and other items
