

THE LOVERLY

Before measuring your ring size, be sure this guide is printed in US Letter size and scaled to 100%.

You can check the accuracy of your print by positioning a credit card along the line below or by placing the correct coin on ring size 9.5 and 12.5.

If the card or coin line up, your all set!

Step 1: Choose a ring that fits your desired finger.

Step 2: Place the ring over the circles below. Match the inside edge of the ring with the closest circle. This is the inside diameter of the ring.

Step 3: If the ring falls between two sizes, select the larger of the two.
