

Sturt Sabres Basketball Club

14th August, 2017

Dear Members,

The Executive Committee has recently undertaken it's yearly review of the club's fees. Although Basketball SA has increased affiliation and court hire fees for next season the Executive Committee have decided to absorb the increases and not pass them on to members.

Attached is an outline of the fee structure for the 17/18 season.

The following charges will be fixed costs and are non-refundable. These fees will be charged once yearly to all members.

ITP	\$	50.00	(this fee is <u>NOT</u> deducted from the base fee)
BSA & BA levies	\$	50.00	
Fundraising	\$	50.00	

Once you accept an offer to play for Sturt by completing an ITP then full fees will be charged, even if you later decide not to play. Refunds and prorated amounts will only be given under exceptional circumstances, and will not be given if a player reneges on their commitment to the team, other team members and club. Any rebates assessed and granted will be calculated on the base fee only.

The Club will endeavour to issue invoices by the third week of a season with 28 days to pay.

Payment Plans will be available for members who request them. A request for a Payment Plan will need to be submitted to the Membership Coordinator no later than two weeks (14 days) before the due date of the season fees.

Payments when on a Payment Plan need to be finalised by round 9 of the respective season. If an extension of time is required we request that you contact the Membership Coordinator as soon as possible to make arrangements.

The 'No Pay, No Play' policy will be enforced if fees are not paid by the due date or an agreed payment plan is
