

Measure the length of the quilt.
Do this across the middle not at the edges.
Cut 2 strips to this length.

Sew the cut strips to 2 sides of the quilt.

Always pin ends and middle as you attach a border, ease to fit if necessary.

Measure across the middle in the other direction.

Include the newly added border.

Cut 2 strips to this new measurement.

Sew the cut strips to the other 2 sides of the quilt.

Always pin ends and middle as you attach a border, ease to fit if necessary.
