

UK Coffee Roasting Championship 2023 - Day 2

Production Roasting Schedule

Please note: You have 1hr to complete your Blend Roast and 30m for the Single Origin.

You cannot carry time from one roast into the next (i.e. if you complete Blend in 45m you do not have extra 15m for SO)

You must roast and submit your blend first within the first hour, then proceed to roast the SO in the remaining 30m

All roasts must be bagged and handed to the relevant official before the end of each individual roast time.
