STALLION *for Gifting*

Stallion Barware designs and manufactures stunning products for corporate gifting. We have a design team that conceptualises new products as per the client's brand requirement, develops 3D prints and prototypes as well as designs mockups for packaging.

We have a strong packaging design team too that makes customised boxes. Be it a corporate event, brand promotion, or a personalised gifting occasion, Stallion has unbreakable solutions that are elegantly packed to make it just the corporate gift you were looking for.

Call us to create a sample.

STALLION *for Business*

Hotels | Restaurants | Bars | Catering | Cafes | QSRs | Pool Side

Stallion Barware designs and manufactures UNBREAKABLE drinkware and barware that's uniquely shatter-proof and up-class. From elegant stemmed glasses, sturdy beer & coffee mugs, timeless tea cups, charismatic chilling buckets, to those glam glow-in-the-dark glasses and uber premium party cups, Stallion is an unbreakable world in itself.

For bars, restaurants, hotels and lounges that love to serve in artistic drinkware, but hate the sound of a glass hitting the ground and shattering in to pieces, Stallion Barware is the answer.

Think unbreakable, think Stallion.
