COVER STORY

Attending HIMSS23

HIMSS 2023

McCormick Place Convention Center | Chicago, Illinois

April 18-20, 2023

The HIMSS convention is in both the north and south halls of the McCormick Place convention center in downtown Chicago, Illinois. The exhibit hall hours are as follows:

Exhibit Hall Hours

Tuesday, April 18, 10 am to 6 pm

Wednesday, April 19, 9:30 am to 6 pm

Thursday, April 20, 9:30 am to 4 pm

If you are attending the event from another city and need hotel accommodations, there are five hotels within walking distance of the convention center.

Hotels Within Walking Distance

Hampton Inn at McCormick Place

Hilton Garden Inn at McCormick Place

Home2Suites at McCormick Place

Hyatt Regency McCormick Place

Marriott Marquis Chicago

If you prefer a different hotel, there are three shuttle routes with multiple hotels stops offering easy transportation from various hotels in downtown Chicago to the convention center.

Shuttle Routes

Green - North Gates 20 and 21

Blue - South Gates 1-3

Red - West Gates 43 & 44

Registration

If you have not registered, there is still time. Visit the HIMSS website to register for this year's event today.

FEATURED PRODUCTS

1050Y520-036

This outlet splitter is very durable with a length of 3 feet. The product has a NEMA 10-50P to two NEMA 5-20R. It is used to get power from a 125/250 Volt outlet to two 125 Volt household connections. In order to do so, you will need to use the ground wire attached to the male plug end of the adapter.

- STW 10/3, 600 Volt Jacket, 30 Amp Copper Wire
- NEMA 10-50P to Two NEMA 5-20R 15/20A Household Connectors
- NEMA 10-50P, 50 Amp, 125/250 Volt, Old Range/Welder Male Plug
- Two NEMA 5-20R, 20 Amp, 125 Volt, T-Blade Household Receptacles
- Flexible and Weather Resistant

Ground Wire Use Tips:

- *Plug the attached ground wire into the ground hole of any regular household outlet.*
- *If no outlet is available, you can use a metal clamp, galvanized hose clamp, or ring terminal and metal screws. See our User Manual for more details.*

TIPS FROM TONY

Despite NEMA 5-20 outlets being described as "t-blade", they can still accept regular household plugs.

Most NEMA 5-20 outlets are made to accept NEMA 5-20 plugs and regular household plugs.

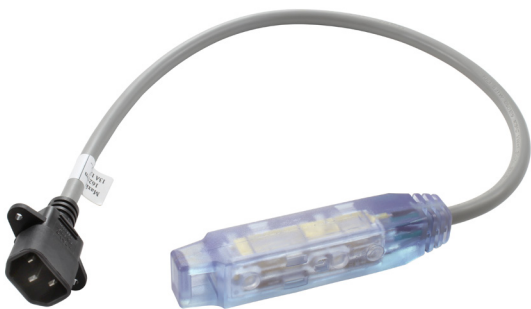

It is very rare to see a NEMA 5-20 outlet only accept NEMA 5-20 plugs.

FEATURED PRODUCTS

C14B515-018

Mark Downs and Discounts

As you may remember we started creating new designs for the barrel adapters. As they have been rolling out into production we have been marking down the old style. Save on compact adapters by purchasing the old style (while supplies last).

Visit our website's promotional page to find out more about our discounts and coupons. We are running a BOGO discount on the E520CB520 and the E620CB620 flexible adapters.

We also post our discounts and sales on our Facebook page.

Specification Sheets

This year we are making some new additions to our product listings. Since many people are interested in the specifications of our AC WORKS® products, we want to make this information more available to our customers.

In doing so, we decided to add the specification sheets to our product listings on each product. Hopefully, this convenience will simplify the time you spend finding the information you want.

This ongoing project will add specification download sheets providing all the information necessary. Click on the spec sheet link and download the sheet to print or share via a link.

If you don't find the spec sheet link, be patient. We are hard at work creating sheets for all products. In the meantime, please reach out to us for faster specification requests.

Industry News

HIMSS 2023

HIMSS is a global advisor and thought leader supporting the transformation of the health ecosystem through information and technology.

The HIMSS Global Health Conference & Exhibition is the most influential health information technology event of the year, where 40,000+ professionals around the global health ecosystem meet to build relationships during lively networking events, learn from experts in education sessions and discover innovative health tech products to solve their greatest challenges.

A broad array of professionals from all walks of the global healthcare ecosystem will convene, including CIOs and senior executives, providers, information and technology professionals, government officials, innovators, consultants, market suppliers and more.

The HIMSS Global Health Conference & Exhibition offers attendees unparalleled opportunities to build relationships with thousands of exhibitors, sponsors and healthcare professionals from around the world.

With nearly 30k attendees across in-person and digital venues, HIMSS22 created an innovative and highly valuable conference experience with an incredible array of educational, networking and specialty programming.

We are looking forward to gathering with all of you again this year in Chicago.
