

# Ford Fiesta ST MK7.5 Stainless Steel Sports Rear Grille

**Kit Contents:**

- 1 off Grille
- 6 off Screws 3/4"

**Tools Required:**

- Masking Tape
- Phillips Screwdriver

**Lower Mesh Grille Fitting Instructions**

1. It is advised that masking tape is used to protect the original surfaces prior to assembly, position the tape to allow for easy removal after the grille has been fitted.
2. Position the grille centrally in the aperture (Fig 1) and secure through the 6 brackets into the original plastic grille with the screws provided, (Fig 2), do not overtighten.
3. Remove the masking tape and assembly is complete.
