**ABDOMINAL CONTROL
SPORTS LEGGINGS.**

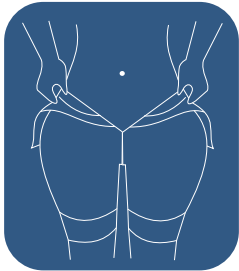

Leggings ideal for a workout routine and daily use as well, it will mold to your body perfectly. It provides control on the low abdomen making it look flatter and on the waistline to mold it and refine it. Adjusted silhouette with a wide waistband.

BLACK

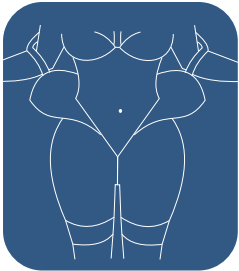

1. Enrollar delicadamente la faja por las piernas teniendo cuidado con el encaje y la silicona que tenga la prenda.

1. Gently roll the girdle around the legs being careful with the lace and silicone that has the garment.

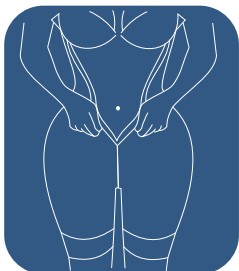

2. Sube la prenda por las cadera teniendo en cuenta que las costuras estén ubicadas correctamente, y acomodar el gluteo para lograr el realce adecuado

2. Raise the garment at the hips, taking into account note that the seams are located correctly, and accommodate the glute to achieve the proper enhancement

3. Ubica las cargaderas en los hombros y ajusta a tu medida, teniendo en cuenta, que la espalda este completamente lisa así el corrector de postura cumpla su función.

3. Position the straps on the shoulders and adjust tailored to your needs, taking into account that your back this completely smooth so the concealer posture does its job.

4. Hala los laterales hacia el centro y comienza a abrochar de abajo hacia arriba, si la prenda tiene cremallera primero se abrocha y luego se sube la cremallera.

4. Pull the sides to the center and begin fasten from the bottom up, if the garment it has a zipper first it is fastened the zipper is pulled up.

- Al momento de tomar tus medidas, debes de tener en cuenta lo siguiente:
1. El contorno de busto: Colocar la cinta métrica sobre la parte más alta del busto.
 2. Contorno diafragma: Colocar la cinta métrica por debajo del busto.
- When taking your measurements, you should consider the following:
1. Contour bust: Place the tape measure on the highest part of the bust.
 2. Contour diaphragm: Involves passing the tape below the bust.
