FRENCH QUARTER NEW ORLEANS

334 Decatur Street

The doors to the historic French Quarter location first opened 32 years ago. Here we began crafting our candies in-store with our first retail operation and soon after offering shipping within the USA. If you are out for a stroll, you will undoubtedly find us by the sweet aromas of candy making floating out the opened doors. It has become our signature way to invite guests inside for a warm welcome and plenty of delicious samples.

FRENCH MARKET NEW ORLEANS

1010 Decatur Street

With an enthusiastic customer base behind us and encouraging feedback, we aimed our sights on developing a satellite store in the heart of the French Market in the fall of 2001. Here we practice the same old-fashioned, candy-making traditions and are excited to have customers sample our creations. This location has become an anticipated stop for visitors and locals alike and we couldn't be happier amongst the jazz bands and the fruit stands of the French Market.
