

# A SHOP LESS ORDI- NARY

MULBERRY  
MONGOOSE

Inspired by life in the Zambian bush, Mulberry Mongoose accessories are handmade by craftswomen using natural materials from the South Luangwa valley.

## Enjoy the journey!

Staying at one of the excellent local safari lodges? Just talk to the lodge staff, and they'll be happy to arrange a visit to our workshop. Or you can call us to arrange a taxi.

1. Coming from the park, turn right at the T-junction before the main town of Cropping.
2. Coming from the airport, go through Cropping, past the Oasis garage on your left and, about 100 metres after the garage, turn left.
3. After about 1 kilometre, just before the road changes from tarmac to sand, turn left down onto a dusty road.
4. From there, just keep following our signs and you'll reach us a few minutes later. You might be welcomed by our dogs, Mali and Smudge, who love visitors.

## Opening times

*Monday-Saturday*    8-4pm  
*Sunday*                    *by appointment*  
*Public holidays*        *by appointment*
