

MULBERRY MONGOOSE

Enjoy the journey!

We are only 15 minutes from the South Luangwa park entrance. You will no doubt pass herds of elephant and tower of giraffe as you adventure to our Shop Less Ordinary too!

If you are staying at one of the wonderful Safari lodges you can book to visit us through their hosts! Or you can ask them to book a complimentary taxi through us.

If you are a self-driver we are easy to find with our white and mulberry signs! Here are the instructions:

1. Coming from the park, turn right at the T-junction before the main town of Cropping. You will see our white sign.
2. Coming from the airport, go through the main town of Cropping (closest built up area to the National Park), pass the Oasis garage and Project Luangwa on your left, we are 100 metres after that garage on your left. You will see our white sign!
3. Now keep following our signs with the Mulberry Mongoose logo for another 10 minutes, you can't miss them!
- 4.

We can't wait to welcome you.

Take care,

The Mulberry Mongoose team.
