

### SPECIFICATIONS

### CONNECTIONS

- 1. DisplayPort
- 2. HDMI™

### FEATURES

#### TRI FROZR 3

Stay cool and quiet. MSI's TRI FROZR 3 thermal design enhances heat dissipation all around the graphics card.

#### TORX FAN 5.0

Fan blades linked by ring arcs and a fan cowl work together to stabilize and maintain high-pressure airflow.

#### Airflow Control

Sections of different heatsink fins disrupt unwanted airflow harmonics and reduce noise.

#### Core Pipe

Precision-machined heat pipes ensure max contact to the GPU and spread heat along the full length of the heatsink.

#### Metal Backplate

Thermal pads under the sturdy metal backplate provide additional cooling while the flow-through ventilation reduces trapped heat.

#### Zero Frozr

The fans completely stop when temperatures are relatively low, eliminating all noise.

#### Copper Baseplate

A solid nickel-plated copper baseplate transfers heat from the GPU to all heat pipes for better cooling.

#### MSI Center

The exclusive MSI Center software lets you monitor, tweak and optimize MSI products in real-time.
