Corporate:

We can offer bespoke packages for your promotions, product launch, corporate events, functions and exhibitions. Let guests get involved with some juggling or plate spinning tuition, have our cheeky sweet shop freaks play 'pegtag' to attract customers to your store or have one of our aerial sweet servers tempt guests and customers.

Improve your team with our training, have employees develop simultaneous use of left and right brain through juggling, bond and build team skills through circus play and challenges and encourage a healthy active lifestyle which contributes to happy healthy employees. Why not introduce a 10 minute juggling break in your place of work each day? Sweet Circus can get you started!

Events & Festivals:

Sweet Circus are experts at providing circus play activities and beginner workshops that are really popular with the kids and adults alike. Packages can include a circus play arena, taster workshops, walkabout, ambient performance and our pop up shop.

Education & Community:

Bespoke workshops are available for your setting including circus play, aerial hoop tasters, dance drama and body percussion.

Weddings and Parties:

As well as the above we can provide a sweet shop with a 'free bar'. Circus play and activities for younger guests or for all as required. Why not have guests welcomed and ushered by our aerial sweet servers and cheeky sweet shop freaks.

Circus Fun for Everyone!
