

Pricing Policy

Sweet Circus is a Community Interest Company. This means that we are a non-profit organisation, and we strive to make our services as accessible as possible in all ways including financially.

The full cost to put on a 55min class is approximately £100. We are largely dependent on funding and donations to cover administrative costs, coordination and equipment. In pricing our sessions we aim to cover the costs of hiring the venue and paying instructors and ensuring that your equipment is safe and suitable for use.

Set Fees and Sliding Scale Fees

Our prices do fluctuate depending on any funding or commissioning we are in receipt of. This funding is usually targeted towards those who need it most:

The minimum payment represents the minimum amount we need to cover the venue and instructors.

Where you see **recommended payment** a discount or some funding has been applied to the minimum payment. The recommended payment is the comparable average fee of similar classes, or services available locally. By paying this amount you can be assured that you are fully covering the cost of your space on a session.

You can pay any amount over the minimum payment. We would encourage you to pay what you can. For some classes you will be able to do this within gymcatch, but for others you would need to make a separate donation via paypal to info@sweetcircus.net or via the website <https://www.sweetcircus.net/products/donation-to-support-the-circus-fun>. You will never be questioned or asked to justify the amount you have paid. If you can afford the recommended amount, then please do.

Bundles / Supported Bundles are a package of 6 classes offered at a slightly cheaper price. You can buy a bundle from the packages tab of Gymcatch our booking site. They are valid for 9 weeks. Once you have bought the bundle you will still need to book the classes you wish to attend, when you click through to the payment page it will offer you the bundle as a payment option. Supported Bundles are for eligible groups, currently only those on a low income are permitted to purchase a supported bundle. They work in exactly the same way but are only applicable to certain classes, currently all adult and children's classes with the exception of aerial Pilates or sound baths. sometimes available to support individuals who may experience additional barriers to participation.

Current Prices

As of January 2024, the prices are as follows:

6 class bundle:	Minimum Payment £60	Recommended Payment £65
Adult Aerial Individual class:	Minimum Payment £12	Recommended Payment £15
Child 6 week term:	Minimum Payment £50	Recommended Payment £58
Child Trial / Individual Class:	Minimum Payment £9.50	Recommended Payment £12
Supported 6 class bundle:	Minimum Payment £48	

Cancellations

If you cancel a space more than 2 days before a class you will be funded via a credit to your bundle or your gymcatch account. If you cancel within 2 days of the class this credit will be paid forward to help fund our supported bundles and pay it forward scheme, you will not receive a refund (except in extreme circumstances). You can also overpay your class fee or donate a class forward.

Pay it forward list

Sadly, as much as we might really want to, or know how good for us a sweet circus class would be there are times when it is a financial impossibility. If this resonates with you right now please join our pay it forward list. You will need to make a gymcatch account and complete our participation form as normal then register on the list. When your name comes to the top of the list a credit will be applied to your account for use within one month. Once you have used this credit you are more than welcome to join the list again. Drop us a line – info@sweetcircus.net – and we'll send you details of how to join 😊
