

LK Pro2 Kirschner Tipper + Robot Pro

The Robot Pro adds fully automatic loading and unloading of circular saw blades on the LK Pro2 Kirschner Tipper.

Features

- Horizontal storage of the saw bodies and circular saws
- Loading/unloading mandrels available in Kirschner or Vollmer style options
- Double gripper system with electro magnets
- Saw body level-off function
- Extremely compact design with common base frame
- Best accessibility due to complete opening and possible crane loading
- Spacers/intermediate layers optional
