

Subtract 10 from Multiples of 10

Standard 1NBT6

Materials for two players

- Playing Board (in plastic sleeve)
- Number Cards (20-100)
- Write-on Markers
- Counters

I Can

- Take turns with my partner
- Spread cards face down on table
- Turn over the top card
- Subtract 10 from this number (use a number line to help)
- Cover the answer on my side of the board with a counter
- Win if I get all the other numbers covered first.
