

Rolling and Adding

Standard: 10A2

Materials:

- 1 die
- Recording Sheet (in plastic sleeve)
- Write-on marker

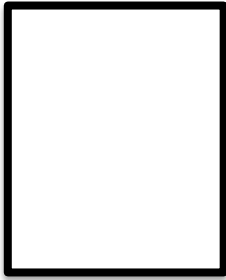

**I know I'm correct
because.....**

I Can:

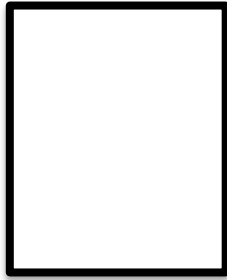

- Roll the die and record the number on the recording sheet
- Roll another 2 times and record the numbers
- Add the 3 numbers
- Show my thinking three ways:
 - with pictures
 - the empty number line
 - an equation
- Is there another way to show the total?
- Tell your partner your strategy and how you know you are correct.
