

Odds and Evens

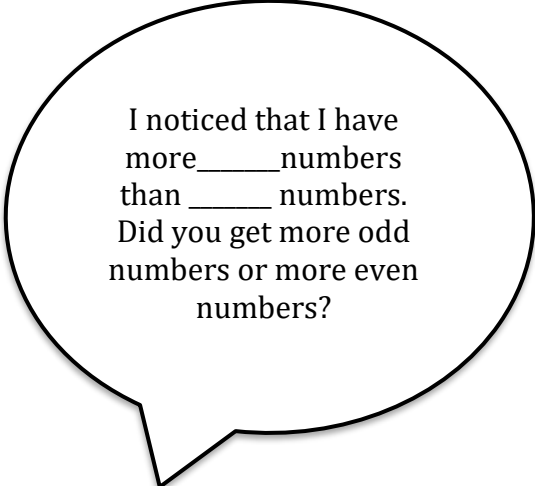

Standard: 2OA3

Materials:

- 1 egg carton per child (with one number from 0-12 written in each egg cup)
- 1 counter/bean (per child)
- 1 recording sheet (in plastic sleeve, each child)
- 1 write on marker (each child)

I Can:

- Put the counter in the egg carton and close it
- Shake the egg carton
- Open the carton and say the number the counter has landed on
- Decide if it is odd or even
- Record on my Odd or Even Recording Sheet
- Compare to my partner's sheet
- Discuss what we notice
- Erase and play again

I noticed that I have more ____ numbers than ____ numbers. Did you get more odd numbers or more even numbers?
