

Different Names

adapted from Van De Walle, 2006

Standard: 3NF3

Materials:

- Students' own Fraction Strips set/Cuisenaire Rods set for each pair of students
- Fraction Sheet
- Recording Sheet (back to back in plastic sleeve)

I Can:

- Use my own Fraction Pieces to find as many single fraction names for each of the fraction regions shown
- Record on my recording sheet
- Complete the task with the three shapes
- Record what patterns I noticed in finding the fraction names
- Discuss with my partner.
