

Teddy's Mat (to 10)

Standard KOA3

Materials:

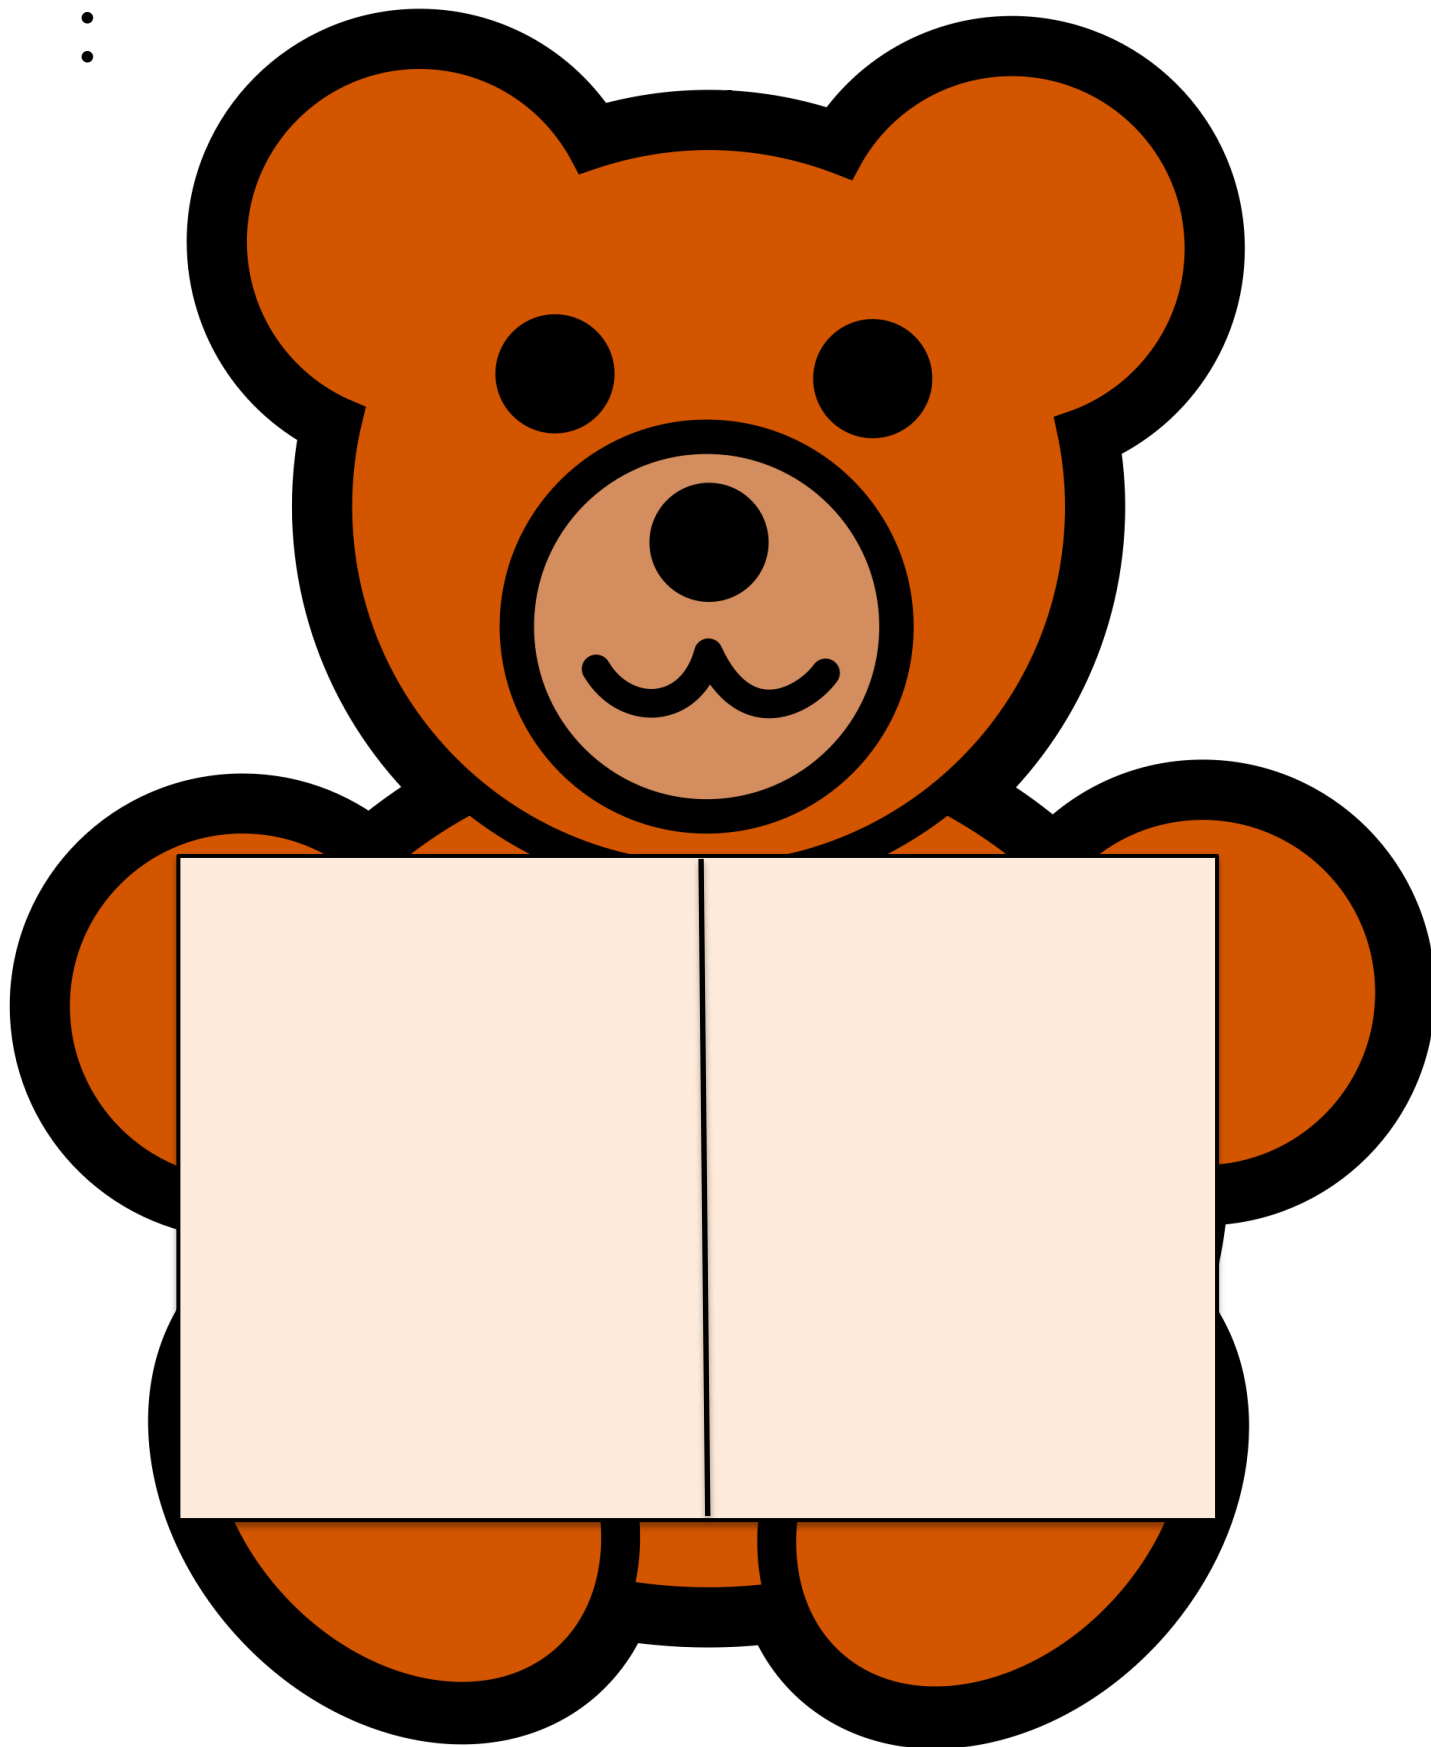

- Playing Board (in plastic sleeve)
- Digit Cards 0-10 (copy onto oaktag, laminate, cut on dotted lines)
- 2 different colored dry erase markers/2 dry erase boards

I Can:

- Choose a card
- Collect that many counters *eg. 10*
- Break up the cubes into two groups on teddy's mat *eg. 8 and 2*
- Record my parts as an equation
eg. $8 + 2 = 10$
- Play again

Teddy's Mat

:

Number Cards (copy onto oaktag, laminate, cut on dotted lines)
