

CHADDSFORD WINERY

Syrah

Tasting Notes

Medium bodied red with notes of molasses, fruit compote and dusty tannins.

Winemaker Notes

Syrah makes a commanding entrance into our red wine portfolio. This wine is gorgeously textured with a nose layered with vanilla, baked fruit compote, molasses and pepper. With 12 months in French and American oak barrels, the acidity compliments the fine, dusty, tannins that keep the palate structured and well balanced. The fruit on the nose transfers over perfectly to the palate, offering up baked strawberry and spicy black pepper. Pair alongside lamb chops with rosemary-garlic butter, pan-seared duck with herbs or grilled portobello mushrooms.
