Stunning!

I just want to say a big thank to Trufond for the dress. Delivery was received within 4 business days in South Africa. The Anzura sun dress fits perfectly and it looks amazing with matching purse. My daughter will surely be the show stopper when wearing it.

Perfect dress

I thank truefond for delivering the beautiful dress. It was perfect for my birthday photoshoot that I was looking for. I ordered a size 6. I weigh 150lb and 5'8 in height. I was very long, it fit well at the top but I had to take it up around the lower thigh. Other than that the dress was perfect and I would order again from this site.
