

1. Parts list

A Camera ×1

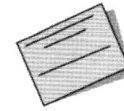

B Camera video extending line×1

C Power cable×1

D Screw×1

E User's Manual×1

2. Specification

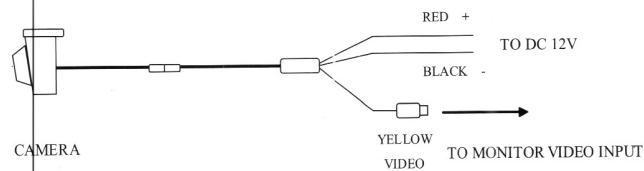

Key features:

1/4" color CMOS
 License plate Hole camera
 Waterproof IP67
 480 TVL Horizontal Resolution
 Reverse Image
 170 Degrees Wide Viewing Angle

Specification

Image sensor	MT136
Total Pixels	PAL/ NTSC
	720(H)*480(V)
Resolution	480 TVL
Min. Illumination	0.1 LUX
Video Output	1.0Vpp at 75ohm
Power Supply	DC 12V
Current	≤100mA
Operating	-20℃~+ 70℃

3. Dimension&Wiring
