

How to use App

Download & Install App:

OnReal, Roadcam

The following became obsolete as of iOS 10 and Android OS 10

BOYD Dashcam VTR219GW,
MK SmartCar Cam,
Car_DVR

Connection App to VTR219GW

Step 1. Turn on the VTR219GW by power it up.

Step 2. Connect Wi-Fi

1. Go to mobile device Wi-Fi settings
2. Select SSID: M-?????
3. Enter password: 12345678

Note: Wi-Fi connected but internet will not be available

Step 3. Open APP & "Open Camera"

iOS 14+ users need to turn off "cell data" to see video.
