Idle Hill

Barossa Shiraz 2020

One of the largest landholders in the Barossa, Grant Burge wines is a bastion of well made, value for money wines. Drawing on depth of experience in the region, Grant Burge and his wife Helen established the brand in 1988 and have developed a formidable range of wines across a broad spectrum of price points. The history of the Burge family and their long association with winemaking in the region can be traced back to March 1855, when noted tailor John Burge immigrated to the Barossa from Hillcot, near Pewsey in Wiltshire, England with his wife Eliza and their two sons.

Byron & Harold Chapter & Verse Cabernet Sauvignon 2020

Two lovers of wine, not just the drinking of it; but the romance of it, the history of it and the pleasure and – yes – inspiration it has given human beings for thousands of years. One with the surname Byron, the other with the given name Harold; two gentlemen, really, in the true sense of the word, but with a secret admiration for the 19th century English poet who in his day was regarded as ‘mad, bad and dangerous to know.’ With more than a lifetime of combined experience in the Australian wine trade, Paul Byron and Harold (Ralph) Dunning seek out those parcels of wine that they believe Australian wine lovers really want to drink. Wines with flavour, wines that are true to their variety – wines with provenance.
