Keil Estate Semillon 2017

Purveyors of fine wines exclusively from the Keil Estate vineyard, underpinned with an investment in patience by extended cellaring time prior to release. It is a philosophy free of the compromises that can come when growing grapes to then the winemaking. Everything comes back to the source. Keil’s measure of success is a wine that is true to its origins. While excellence is a constant, their wines change year by year with every variable, including the development of the vines themselves. They will always make the best, but they will never make ‘the same’; rather, they make wines whose flavour profiles speak clearly of a parcel of vines and its fruit captured and crafted during one unique season in its life.
