## Yelland & Papps Barossa Valley Second Take Mataro 2020

Yelland & Papps is a 1st generation husband and wife team starting in 2005 in the iconic Barossa Valley, using a minimal intervention approach to create elegant, structured fruit-forward wines to enjoy in a social aspect or can cellar gracefully for many years to come. In the winery there a focus on using a lot of whole bunch fermentation, no filtration, larger format oak and putting 100% whole bunches in puncheons and letting them sit for up to

a year in some cases. All wines are wild fermented, unfiltered, vegan friendly and unfiltered with only a couple whites being filtered. Their wines showcase fruit as the hero and using a lighter touch with fine grain oak, make wines that are delicate and elegant. Using minimal inputs during the winemaking process to allow the fruit to speak in a clear voice, uncluttered by overzealous oak and a heavy hand.

## Longview Vineyard Nebbiolo 'Saturnus' 2016

Located just outside the historic township of Macclesfield, the Longview vineyard is set on undulating slopes reminiscent of old world estates but with a clear Australian accent, it has quickly established itself as one of the most awarded vineyards in the region since its first vintage in 2001. Operations are overseen by brothers Mark and Peter Saturno, along with a small but specialised team. They ensure the vineyard is fastidiously managed to produce the finest fruit

for their premium estate grown wines. As they say, 'It's all about the site.' Longview is proud to be part of the cool, clean and green region of the Adelaide Hills but it's the particular micro-climate in the South of the region that makes this vineyard so special. Ancient soils, healthy rainfall, undulating slopes, gentle sun, warm days and cool nights, are an essential part of this unique vineyard's 'terroir' and something you can truly experience in every glass.

## Tahbilk Eric Stevens Purbrick Cabernet Sauvignon 2016

The name Tahbilk comes from the language of the Daung-wurrung clans, the first people in the area. They called it tabilk-tabilk which means place of many waterholes. Tahbilk Wines was established in 1860 in the Nagambie lakes sub region of Victoria's Goulburn Valley. It is home to a unique meso-climate, influenced by inland lakes and lagoons fed

from the Goulburn River. Purchased by the Purbrick family in 1925, Tahbilk is home to 5 generations. Tahbilk's flagship 1860 Vines Shiraz is produced from the estate's original 1/2 ha of ungrafted, pre-phylloxera Shiraz vines that are amongst the oldest in the world.

## James Kalleske CYME Old Vine Grenache 2021

Barossa-raised winemaker James Kalleske has been in the industry for two decades. He has helmed wineries in Margaret River; learned producer secrets in Champagne, Sancerre, and Yecla; and developed a range of award-winning new-latitude wines in Bali. Under the old oak tree at Rockfield Estate, he made his first gold-medal-winning wine — a Sauvignon Blanc

Semillon. When he left to take up a position with Hatten Wines in Bali, he brought with him a new appreciation for the region's lighter, more elegant wine styles. After 17 years away from South Australia, JKW represents both a reunion and the realisation of a lifelong dream: to make his own wines in his own way.

### Tasting Notes

Aromas of glacé cherries, juniper and poached quinces. The palate is soft and plush, with powdery tannins leading to an elegant oak backbone. A subtle earthiness and Szechuan pepper liveliness on the finish.
