# The Wine Collective
# Full stack Engineer | Job Description

This is your chance to join a dynamic, collaborative team within one of Australia's most innovative digital retail businesses.

We're looking for a Full stack engineer who can roll up their sleeves and help the team out when needed. Who takes pride in their work and is keen to learn, with an entrepreneurial mindset eager to become a key part of the team for years to come.

You will work with senior members of the dev and design teams to build new systems to support the growth of the company.

## ROLES AND RESPONSIBILITIES

- Ongoing development of our flagship Shopify store as part of a small development team.
- Build and integration of front-end applications.
- Build & maintain databases to support front / back-end applications
- Build & maintain responsiveness of front end UI with a mobile-first experience in mind
- Technical implementation of SEO initiatives
- Ensuring cross-platform compatibility, particularly for mobile devices
- Technical scoping around feature development, providing guidance to the product team.
- Source code maintenance and clear documentation.

## QUALIFICATIONS AND EXPERIENCE

- Experience building front-end applications. (React / webpack / babel etc)
- Back-end programming language (particularly Node JS, nice to have Ruby/python).
- Knowledge and experience with majority of Twelve-factor app methodologies
- Knowledge and experience of modern frontend technologies.
- Javascript/CSS/HTML (html email)
- Git
- Ability to create a web page from designs
- Track/debug/fix frontend issues
- Estimating effort in an agile environment

Nice to have or interest in using

- Typescript
- Serverless / AWS / GraphQL
- Experience with prototyping software (inVision, Sketch, Basamiq etc)
- SQL
- Ecommerce platforms (Shopify utilizing liquid templates)
- Algolia search platform

**WHAT WE OFFER**

- Staff discount to the best and largest wine range in Australia.
- Opportunity to build a long-term career with strong support for continuous learning and professional development.
- Supportive and collaborative working environment with a team of like minded individuals.
- We are remote first, so you can be anywhere in Australia

**ABOUT US**

For more than 75 years, we have pioneered, innovated and supported the Australian wine industry, connecting the world's greatest winemakers with our customer's hearts and minds. The Wine Collective is one of Australia's leading marketplaces, ever-evolving to remain at the forefront of this ancient industry. With Australia's largest range of wines, we showcase smaller independent producers and their stories by embracing leading digital technologies to create design solutions delivering new engaging content for our customers.
