 Asa de porta / Door handle /
 Manillon de puerta.

Patina natural
 A pega de cobre
 do puxador
 propositadamente
 não tem
 tratamento
de superfície,
 para que possa
 desenvolver a sua
 própria patina ao
 longo do tempo
 conforme o uso e
 o ambiente onde
 está inserido.

Natural patina
 The handle copper
 part doesn't have
 a surface coating
 on purpose, so it
 can develop its
 own patina over
 the time according
 to the use and the
 environment where
 it is inserted.
