AP1 A-7010

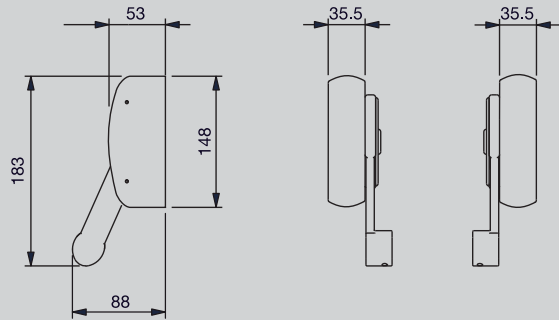

AP1

Versión sólo con pestillo lateral no combinable con barras/pestillos
Versió només amb pestell lateral no combinable amb barres/pestells
Version with one lateral latch bolt, cannot be mounted with rods/latch bolts
Versión avec pêne latérale seulement, montage avec tringles/pênes dormants non prévu
Versión con solo scrocco laterale non abbinabile ad aste/scrocchi
Ausführung nur mit seitlicher Falle, nicht mit Stangen/Fallen kombinierbar

AP2 A-7020

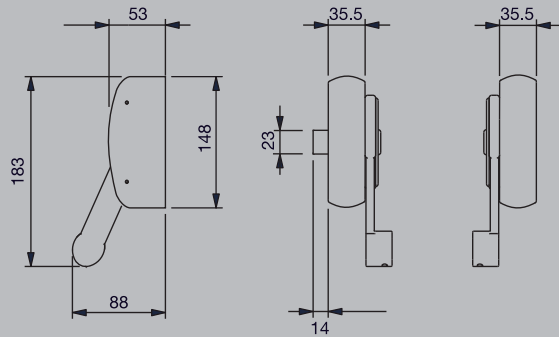

AP2

Versión combinable con barras/pestillos, sin pestillo lateral
Versió combinable amb barres/pestells, sense pestell lateral
Version suitable for rods/latch bolts mounting without lateral latch bolt
Versión pour montage avec tringles/pênes dormants sans pêne latéral
Versione abbinabile ad aste/scrocchi senza scrocco laterale
Ausführung kombinierbar mit Stangen/Fallen ohne seitliche Falle

AP3 A-7030

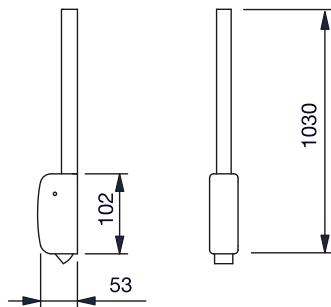

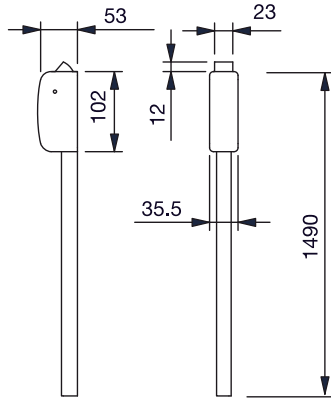

AP3

Versión combinable con barras/pestillos, con pestillo lateral
Versió combinable amb barres/pestells, amb pestell lateral
Version suitable for rods/latch bolts mounting with lateral latch bolt
Versión pour montage avec tringles/pênes dormants avec pêne latéral
Versione abbinabile ad aste/scrocchi con scrocco laterale escludibile
Ausführung kombinierbar mit Stangen/Fallen mit seitlicher Falle

A-7110

Kit de barras y pestillos verticales

Cubiertas de barras en aluminio pintado - pestillos en acero inox

Kit de barres i pestells verticals

Cobertes en alumini pintat - pestells d'acer inoxidable

Vertical rods and latch bolts

Painted aluminium rod coverings - stainless steel latch bolts

Kit tringles et pènes verticaux

Couvertures des tringles en aluminium laqué - pènes en acier inox

Kit aste e scrocchi alto/basso

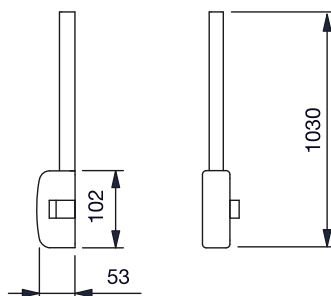

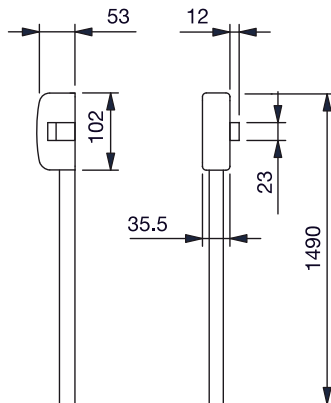

Coperture in alluminio verniciato - scrocchi in acciaio inox

Kit senkrechte stangen und fallen

Stangenverkleidungen aus lackiertem aluminium edelstahlfallen

A-7115

Kit de barras y pestillos laterales

Cubiertas de barras en aluminio pintado - pestillos en acero inox

Kit de barres i pestells laterals

Cobertes en alumini pintat - pestells d'acer inoxidable

Vertical rods and lateral latch bolts

Painted aluminium rod coverings - stainless steel latch bolts

Kit tringles et pènes latéraux

Couvertures des tringles en aluminium laqué - pènes en acier inox

Kit aste e scrocchi laterali

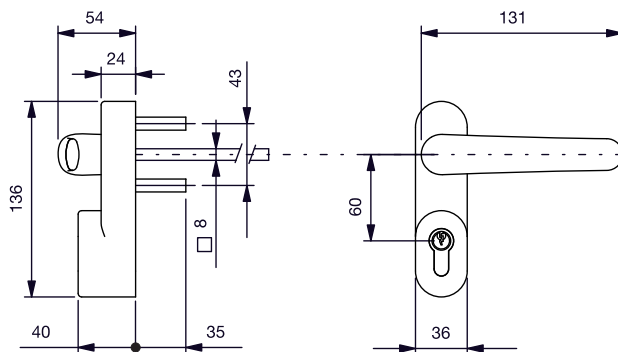

Coperture in alluminio verniciato - scrocchi in acciaio inox

Kit seitliche stangen und fallen

Stangenverkleidungen aus lackiertem aluminium edelstahlfallen

A-7100

Grupo manilla/pomo y cilindro

En aleación fundida a presión pintada

Grup maneta/pom i cilindre

D'al-leació fosa a pressió pintada

Group handle/knob and cylinder

Painted pressure die-cast alloy

Groupe poignée/bouton et cylindre

En alliage fondu sous pression et laqué

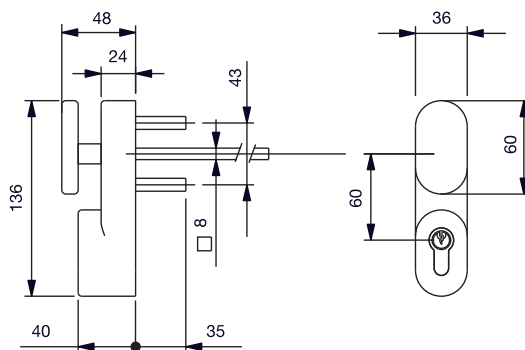

Gruppo cilindro maniglia/pomolo

In lega pressofusa verniciata

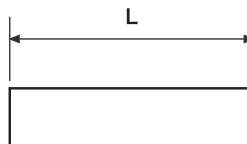

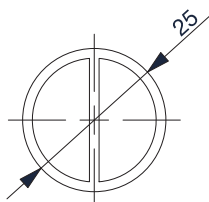

Gruppe Türgriff/Türknauf und Zylinder

Aus lackierter druckgegossener legierung

A-7102
