HybridCR's three-in-one approach

HybridCR takes the guess work out of supporting immune health by including ingredients that nourish the immune system's key signaling and response mechanisms.* This proprietary blend of natural ingredients supports all three of the following immune functions, ensuring a fast, effective response:*

- 1) Innate immunity*
- 2) Adaptive immunity*
- 3) Inflammation management*

Help your customers take charge of their immune health

with HybridCR's convenient 4-day dose card. Each daily dose contains potent, natural ingredients that work together to launch a full-body immune defense.* Consumers don't need to remember what to take when, the dose card does it all for them.

Recommend HybridCR to consumers looking for:

- A fast innate immune response*
- Lasting adaptive immunity*
- Help managing inflammation*
- Built-in convenience
- Standardized ingredients
- Proven efficacy
- A solid science backing
- An all-natural formula
