

MegaGuard™ High Performance Fabrics

Featuring
Alta™ Senior Living Technology

FEATURES & BENEFITS

Alta™ Senior Living delivers the highest repellency, cleanability and a complete liquid barrier to upholstery fabrics without impact to softness or breathability.

- Permanent, water-based technology - Lasts for life of the fabric
- Antimicrobial - Resists odor causing build up
- Water Repellency - Liquids bead up/run off to prevent messy stains
- Easy to Clean and Maintain - Simple wipe up without special cleaning products
- Strength - Increases the abrasion resistance and seam strength
- Moisture Barrier Backing - No liquid can penetrate the fabric
- Eco-friendly - Free of any solvents or VOCs, PFOS, PFOA, Formaldehyde, Heavy Metals or Phthalates.

MEGA MOTION

This New MegaGuard Performance Fabric is available on the Ultimate Power Recliner line of lift chairs. The upgrade option is offered on each chair in three different fabrics, Bucky, Dynamo and Velvety, and is stocked as a base cover on the New MM-1660.
