

Rhodes UC472

Standard
with

Take a vacation from your busy day in the Rhodes by UltraComfort. This medium-size power lift recliner offers an overstuffed seam back design, plush chaise pad and four separate, hinged arm panels that open to reveal numerous standard features. When it comes to reclining, your positioning options are endless with our 4-Zone Comfort Zone Positioning System which includes our patented Stellar Positioning, adjustable headrest and lumbar all operated by our programmable AutoDrive™ hand control. For extra wellness and comfort, our HeatWave Technology comes standard providing therapeutic warmth starting at your shoulders and continuing down to your feet. When you open the right arm, you will find a cup holder and a storage compartment that also holds the AutoDrive hand control. In the left arm, you will find an additional cup holder, a USB charging port, a second storage compartment that holds the HeatWave Technology hand control. As an added bonus, you can use either of the cup holders without losing the comfort of the arm rests thanks to the split arm rests design.

Standard features:

- Patented Stellar Positioning
- Adjustable Headrest
- Adjustable Lumbar
- Programmable AutoDrive™ Hand Control
- HeatWave Technology™
- USB Charging Port
- Built-in Cup Holders
- SmartTek® Diagnostic System
