

UC669 MEDIUM POWER RECLINER

Are your days so busy that you hardly ever make time for self-care? Treat yourself to active recovery from your hectic day in the UC669 Power Recliner with the exclusive Zero Gravity+ (ZG+) positioning technology. The plush seamed back and posture-correcting bucket seat cradle your body, while five adjustable Comfort Zones allow for the most personalized comfort experience on the market. In addition to the adjustable headrest and lumbar, our patented wellness recline technology provides seat movement as well as a 30-degree tilting motion, placing your body in ergonomic and rejuvenating positions and providing the ultimate wellness comfort positioning. For added convenience, you can charge your smart device while you relax with the USB charging port located on the side of the chair.
