DESCRIPTION:

The LINE2design Deluxe Step-in firefighter Gear Bag is made with the most advanced durable and synthetic fabric on the market. The infused Ripstop fabric has an outer shell that is water repellent, able to withstand above average water exposure. The specially designed inner fabric has an infused PVC coating that keeps water from getting into the bag while also preventing toxic gases from escaping. The PVC inner liner is durable and easy to wipe clean.

The 26" x 30" x 18" bag features two separate zippered side storage compartments for carrying essential and everyday gear and one main extra-large storage area for larger items.
