DESCRIPTION:

The LINE2design Elite Firefighter Gear Bag is made with the most advanced durable and synthetic fabric on the market. The Ripstop fabric has an outer shell that is water repellent, able to withstand above average water exposure. The 27" x 17" x 13" bag features two separate zippered storage pockets on each end, one main center zippered storage compartment for carrying essential and everyday gear and eight smaller storage pockets around all sides of the bag. Yellow reflective trim helps enhance your visibility at night and in low-light conditions.
