

Deluxe Pediatric Child Restraint Seat System

Blue

The Deluxe Pediatric Child Restraint Seat System attaches to cots or stretchers at 3 different point for optimal security. Accompanied by a 5 point harness system to safely and comfortably secure the patient. Universal fitting - attaches to most cots and stretchers. Fully adjustable straps intended for pediatric patients weighing 10-100 lbs. Fluid resistant vinyl and nylon straps make the Child Restraint Seat durable, long lasting, and easy to clean. Available in the color blue.
