

## 2012 Two Vintners – Diamonds Syrah

**Tasting Notes** – With a steely backbone of acidity this wine showcases the savory minerality we've come to expect from this vineyard along with bright meaty & floral flavors.

**92 pts Wine Advocate – 2011** – *“Also brilliant, with white pepper, violets, underbrush and blackberry styled fruit, the 2011 Syrah May’s Discovery Vineyard is medium to full-bodied, seamless and downright sexy on the palate. It’s a rocking value to drink over the coming 3-5 years.”*

**Vineyard** – On the south edge of the Horse Heaven Hill AVA, this site overlooks the Columbia River and Oregon to the south. Planted in 2005 by Kay & Milo May with Paul Champoux consulting this cool site produces grapes with a great balance of acidity and ripeness.

**Winemaking**– The grapes were fermented with native yeast and 30% whole cluster fruit and punched down three times daily. It was then aged for 18 months in 88% neutral French oak and 12% in a new French oak Puncheon.

**Only 80 cases produced, released February 20<sup>th</sup> 2015**
