

## 2013 Two Vintners - Diamonds Syrah

**Tasting Notes** – With a steely backbone of acidity this wine showcases the savory minerality we've come to expect from this vineyard along with bright meaty & floral flavors.

**91 pts Wine Enthusiast** – *"The aromas of high-toned dried herbs, sage, olive, spice and dark cherry provide allure, with the use of stems apparent. The flavors are supple and polished, showing a deft touch. The finish is lengthy."*

**Vineyard** – On the south edge of the Horse Heaven Hill AVA, this site overlooks the Columbia River and Oregon to the south. Planted in 2005 by Kay & Milo May with Paul Champoux consulting this cool site produces grapes with a great balance of acidity and ripeness.

**Winemaking**- The grapes were fermented with native yeast and 30% whole cluster fruit and punched down three times daily. It was then aged for 18 months in 88% neutral French oak and 12% in a new French oak Puncheon.

**Only 80 cases produced, released February 2016**
