

## 2012 Two Vintners – Stones Syrah

**Tasting Notes** – Wild aromatics leap out of a glass of this wine, smoky earthy meatiness dominate with just enough fruit to balance, this wine coats the palate and leaves you wanting more.

**93pts Wine Enthusiast** – *Coming from The Rocks District, the herb, green stem, black olive, peat, wet stone and floral aromas are expansive. The potpourri and savory flavors are broad in feel and exquisitely balanced, capped off by a long finish. Stunning stuff*

**Vineyard** – Stoney Vine Vineyard was planted in 2007 and lies on the Oregon side of the Walla Walla Valley, located just outside of Milton Freewater in the now famous “Rocks” region of Walla Walla. The 17 acre vineyard sits atop an alluvial fan comprised of rounded basalt river cobble formed by the ancient bed of the Walla Walla River.

**Winemaking**– The grapes were fermented with native yeast and 30% whole cluster fruit and punched down three times daily. It was then aged for 18 months in 88% neutral French oak and 12% in a new French oak Puncheon.

**Only 150 cases produced, released February 2016**
