

2013 Two Vintners Sal – Columbia Valley

90% Cabernet Sauvignon 5% Merlot 3% Cabernet Franc 2% Petite Verdot

Showcasing the amazing Discovery Vineyard, this Cabernet really displays the vineyard's ability to make some of the best Cabernet in the state

91 pts - Wine Enthusiast – *“This is a Cabernet prototype from an up-and-coming vineyard. The brooding aromas of anise, cassis and barrel spice seem quite locked up at present. The black cherry and fine grained, highly structured tannins show an exquisite sense of balance that persists through the finish.”*

Vineyards

Cabernet - Discovery Vineyard - On the south edge of the Horse Heaven Hill AVA, this site overlooks the Columbia River and Oregon to the south. Planted in 2005 by Kay & Milo May with Paul Champoux consulting this cool site produces grapes with a great balance of acidity and ripeness.

Petite Verdot - Kiona Vineyard - Red Mountain AVA

Cabernet Franc & Merlot- Stonetree - Wahluke Slope AVA

Winemaking - The Cabernet was barrel fermented in French oak and then pressed off and aged for 20 months in 85% new French oak barrels. Neither fined no filtered.

80 cases produced- Released November 2016
