

## **2014 Two Vintners Zinfandel – Stonetree Vineyard**

**75% Zinfandel 15% Primitivo 10% Petite Sirah**

**Tasting Notes** – Big and audacious, this wine demands your attention and deserves it, dried fruit and pepper notes greet you followed through by lush mouth coating brambly fruit and spice. This is a Zin that makes no apologies for what it is.

**Wine Enthusiast - 92pts - (2013)** - *A consistent standout for this winery, the new vintage does not disappoint. Jazzy and jammy red-fruit and spice aromas are followed by rich, plump, beautifully balanced fruit flavors followed by an extended finish. It only ramps up over time. It's a prototype of the variety and about as good as it gets from the state.*

**Vineyard – StoneTree Vineyard Wahluke Slope AVA** – First planted in 2000 this south facing 257-acre vineyard is the hottest site we source from. StoneTree is one of the best-known vineyards in the Wahluke Slope AVA and consistently among Washington's best.

**Winemaking-** Fermented in open top bins and punched down 3 times daily then aged in neutral French Oak for 18 months. Neither fined nor filtered.

**530 cases produced, released May 2016**
