

# MYKOS<sup>®</sup> GOLD

GRANULAR

**FOR AGRICULTURAL AND  
HORTICULTURAL APPLICATIONS**

## Mycorrhizal Inoculant

### Soil Amending Guaranteed Analysis CONTAINS NON-PLANT INGREDIENT

Contains the following species of vesicular-arbuscular mycorrhizal fungi

*Rhizophagus intraradices* ..... 300 propagules / g

#### Directions for Use:

Mycorrhizal inoculants must be applied on or near newly developing roots.

NOTE: MYKOS GOLD granular applied at higher rates may increase mycorrhizal colonization of crops.

#### Individual Plant Treatment:

Apply 1 tsp (3 g) of MYKOS GOLD in each transplant hole, set transplant on top and backfill.

#### Nursery Applications:

Thoroughly mix MYKOS GOLD into media at a rate of 2 to 3 lbs per yd<sup>3</sup> (1 to 2 kg per m<sup>3</sup>).

#### Field Crops (direct seeding & transplants):

Seed beds: Apply and incorporate MYKOS GOLD into the root zone of new seed beds just prior to or during sowing at a rate of 1 lb per 10 ft<sup>2</sup> (1 kg per 2m<sup>2</sup>).

All field crops: Apply MYKOS GOLD at a rate of 5 to 10 lbs per acre (6 to 11 kg per ha). MYKOS GOLD can be applied through seed drill, side-dress, broadcast and disc harrow into the root zone prior to sowing.

#### Caution:

The use of chemical-based fungicides in combination with this product is not recommended. If it is determined a fungicide must be used to prevent/control fungal pathogens, mycorrhizal inoculum must be applied 4 weeks before or 4 weeks after fungicide application to allow chemical residue to dissipate. Store under cool dry conditions. Do not expose inoculants to direct sunlight for extended periods of time. Always wear a dust mask when handling.

#### Statement of Claims:

RTI certifies that this product contains the microorganisms identified on the label at the stated propagule count. The organisms are sensitive to environmental conditions and RTI is unable to make any guarantees beyond the statement above.

Information regarding the contents and levels of metals in this product is available online at <http://www.aapfco.org/metals.htm>
